CELINE

Although she's dressed in purple, Celine's thoughts are nothing but blue

"I'd say that purple really fits me well, don't you think?" Celine says, stripping from her mauve lingerie—revealing her purring kitty. "Even my pink is a little jealous."

Strumming her nubbin lightly, the blonde bombshell relishes in the stream of her girl cream down her thighs.

"Mmmm...tastes so good," she musters, licking up the silky droplets from her fingers. "I taste almost as good as a ripe plum."

Still keeping a firm grip on her pulsating mound, Celine's mind starts to wander—thinking of a purplish head getting harder in her mouth.

"Fuck yeah! I love looking at a man when just my pout is on their swollen head," she says, moving her fingers harder—feeling her velvety walls tighten between her languid digits. "And when the pre-cum is jutting down my throat? That makes me cum every time."

At last, when she thrusts her hands in harder—her pelvis starts to pump her girl goo all over her fingers and on the couch—spilling her homemade nectar all over the place.

Still pursing her lips, Celine whimpers, "Mmm...now that I'm all ripe, I hope I can find a man to take a sweet bite."

Tush 'n' Tubs

When my house was being renovated, the electricians blew a fuse that spread I my laundry room. When I called the company where I got my washer and dryer, they said they weren't available to fix it for another two weeks, so I had no choice but to go to the local Laundromat.

Having no other choice—and admittedly, a little embarrassed—I only went to the 24 hours one in the morning, for fear of running into anyone in my ritzy area. I would bring my iPad and read, but when it's always that late, I get lonely, not to mention, incredibly horny. I went from reading newspapers and political magazines, to watching porn and reading dirty rags. I kept crossing and uncrossing my legs whenever I felt my clit uncontrollably throbbing, but as soon as I pressed harder, a small shudder would go through my belly and by the time my clothes were done drying, I felt the remnants of my girl goo puddle in my panties. Every time I would fold my skimpy panties, I would start to get even wetter, and even though the place was practically empty, I was too afraid to work my pebble, for fear that someone would walk in and report me. Instead, I waited until I got home—fantasizing about getting rammed in the Laundromat while the bustles of the machines would hum throughout the fucking. I noticed that every time I folded my flimsy panties, I would get soaked, and there was something about the cheeky back that made my pussy stream its sauce even more. While passing the time at the “mat,” I found myself getting more and more turned on at anal scenes, and I was aching to try it out myself.

It was the next night when the usual empty facility—save for me, of course—had a few more people in it. I didn't say much, but kept my porn watching at a minimum. Then, I noticed that all my clothes in the dryer were missing. Tired and exhausted, I started to get heated—cursing, while looking in every machine.

“Oh, sorry, miss,” I heard a strong voice say in back of me. “Yours was the only was that was working at the time, and you were over there reading on your iPad. Honestly, I

thought it was going to take you a second.”

I had no time to be short, this man was beyond hot. Strong and masculine, with deep brown eyes and short, dark eyes—I went from heated to scorching hot—for him. I apologized for being so curt, and started folding my clothes in front of him, making sure that he looked me in the eye every time I folded up my panties. We were making small talk, and I found out that his name was Jerry, and he lived in the apartments across the street, but I didn't care about any of that—I wanted his cock in my ass—and I needed it right then and there.

I saw him begin to lose his breath as the conversation progressed, and when I asked

pucker. After he got the hint, he swiped his saliva and pre-cum covered cock all over my asshole before thrusting the first few inches in. After I felt half his shaft plunge inside me, I began to shudder—holding off my explosion until he was all the way inside. He knew I was aching for more of his hulking hose in my tightness, so I took matters into my own hands—or should I say ass—and moved back into him—allowing all his eight inches invade my crinkle. The feeling of being thoroughly fucked was nothing like I ever felt before, and with the rocking of the washing machine; I knew I was going to explode soon. Once he reached over to press on my pulsing pebble, I lost it and creamed all down my

what he was thinking, he said, “Your ass in those panties.”

“It's about time,” I thought to myself, and since I'm such a panty whore, I was wearing a clean pair of cheeky's, looked around, and noticed that no one was near, and started to dance for him—pulling down my pants slowly.

When I looked back, his cock was out and his hands were moving up and down the shaft—while my plump ass was gyrating in front of him. When I turned around, I couldn't get over the size of his cock—it was this hulking mast of man-meat, and I needed it in my mouth, before I had it anywhere else. I immediately got on my knees, as the sweet smell of fresh-picked cotton and lavender fields filled my nose, and the moment his thickness was stuffed in my mouth, I was dripping wet. I played with my fat clit as I was taking him deeper and deeper down my warm tunnel, and when I felt his pre-cum start to flow down my throat, I got up and kneeled on the shaky washing machine—splaying my legs open in doggie. When he kept teasing my pussy, I was gyrating my hips and plunging my finger—to the knuckle—in my pink

legs—feeling him getting pulsed by my backdoor. He kept up a good rhythm after I shot my sauce, but once his balls were filling up, it slammed up against my cheeks one more time, and I felt him release his torrent of salty suds deep in my canal—letting the jizz ooze from my wrinkle.

We came back for more later on that week, but soon after my electrical problems were fixed, and I was back on the saddle again—or in my case, the spin cycle.

Wash 'n' Pound—Illinois

Smooth, Sapphic Slut

After months of sleeping around with random strangers, I decided to take a break and whatever felt good, and I thought I would start with my body. Sure, I ate well and exercised, but I wasn't feeling sexy. I was craving that confidence that porn stars get, and that's when I knew the perfect confidence boost—a Brazilian wax.

I saw it in loads of pornos, and the smooth look turned me on so much. I found that the

girl gloss showed up a little better on the girls' twats, rather than a light sheen on some hairier mounds.

As a lipstick lesbian, I wanted something silky to go with a hairier pussy, but since I hadn't found what I was looking for, I decided to just enjoy the experience for myself, hoping it would increase my sexiness a bit.

When I walked into the small salon, I was greeted by an older, yet hot, woman named Nellie, with a warm smile. Her green eyes lit when she spoke, and her voice was tender and kind. I couldn't stop my mind from imagining what her snatch looked like, and I pictured it with a light, dark landing strip with nice, full lips.

After she walked me through each step, she began the process—coddling me in her sweet voice. I was growing sexier with each patch of hair that was removed, and when all was finished, I was uncontrollably touching myself while continued cleaning up. Finally, when she turned around, she winked at me and said, "Do you enjoy that? What's the first thing you're going to do to that soft pussy?"

Licking the sweetness from my fingers, I said, "Well, I want to feel a wet tongue on it, then I want a hairy pussy to mash up against it, so I can spew my girl cream all over her."

Her breathing became heavier as her breasts practically flew out of her chest. Once her pillowy tits were in the open air, I sat up—licking each nipple to its hardness. She moaned quietly, making sure her coworkers didn't hear her, and when she put me down on the table, I spread my sticky legs apart—knowing what was coming next. Her tongue felt like silk against my smooth pussy, and once her finger plunged inside, I was done for—gushing my girl goo all over her long fingers.

Once she was fully undressed, she did a good job at covering her body, so I couldn't see her drenching twat; but when she moved her tongue further into me, I felt something wet and hairy on the top of my calf. I immediately started spurting again, but while I was cumming, I felt her dark, full bush mount mine—making me shake even more from the feel of her hair on my bare mound. It took a little more than a second, but when I lifted up her hood, Nellie had the same reaction and unleashed her sweet sauce down my puffy petals.

I never felt sexier in my life, and every three weeks, I get the porn star treatment from my new chick, Nellie.

Bald Beauty—California

Bagged Me A Slut

I run constantly—in the park, on the street, in marathons, and especially out of apartments when I've been caught fucking. However, the itch for adrenaline never stopped, not to mention the craving for cock I get on a weekly basis. So, it wasn't shocking that my two favorite things brought me to the hottest fuck I've had in years.

I couldn't sleep and decided that I would start my daily run earlier than usual. I didn't think I was that early until I saw the garbage men pull up and take away the trash. My pussy started to purr, and I bit my lower lip, watching the one guy in the back take the garbage can and put it all in the truck. Between his bulging muscles and his sweaty face, I knew I had to fuck him. I thought it was best to sleep on it, and when I went back the next day, I was wearing tighter workout pants, to show-off my sexy, toned ass, and a sports bra that held in my fat tits, while exposing my flat tummy. I was looking hot, and I knew it, so when I ran by, he asked me to stop around the corner at the last spot.

I was doing the whole running in place thing, while he was chatting me up, and when he said that he liked watching me jog, because my tits looked great, I didn't waste any time, and pulled

him in to kiss me. Pressing me into him, I felt his throbbing cock get bigger with every slurp of my tongue. Even though we were on a public street, I couldn't contain my slutiness and bent down to engulf his entire rod down my throat. While I was clucking his cock—getting it nice and wet, I dug a hole in my black workout pants and was frigging my clit until I felt my swollen clit pop up and say, "Hello."

While the steam was fogging up the air and the truck was bustling, He asked me to remove my pants. I stood there naked, while droplets of my girl goo rained down my thighs, and when he lifted me up, he plunged his prick deep inside me—banging me against the truck. I loved every second of his man-meat stuffing my peach, but it was when his balls smacked against my undercar-

riage, that I creamed his pole, while he continued pounding me until I felt him twitch. Letting me down, I knelt down once again on the gravel and sucked him off—feeling his head pulse against my tongue, until his frothy splooge flowed down my mouth.

Since then, we've been making our daily rounds together, and most of the time, our daily pounds.

ON THE SET

ZORRO XXX

A Pleasure Dynasty Parody

On The Set Report By Emma Edwards

Starring: Gracie Glam, Brooklyn Lee, Jynx Maze, Tasha Reign, Lacie James,
Tommy Gunn, Tom Byron, Alec Knight, Ramon Nomar

Directed By: Jordan Septo

Available From: Pleasure Dynasty/Jama Entertainment

Set in the 1800's—director, Jordan Septo, follows the sexcapades of a legendary bandit, *Zorro XXX*, who rode the streets of a California on his black stallion—defying the authority of a ruthless government that ruled its oppressed citizens with an iron fist. The results are smashingly good!

The first sex scene ignites when Tom Byron—the former Zorro—is visited by a very thankful villager, Jynx Maze. Falling to her knees to pay homage to the fallen hero, Jynx sucks hard until her mouth caves in. From here, it's wild sex all over his cavernous lair.

Next, within the confines of a goldmine, the new Zorro (Ramon Nomar) is seduced by Brooklyn Lee and Vicki Chase. Bestowing him with a double blowjob and ball polish, the girls take turns riding his horse—swapping his cumload between them.

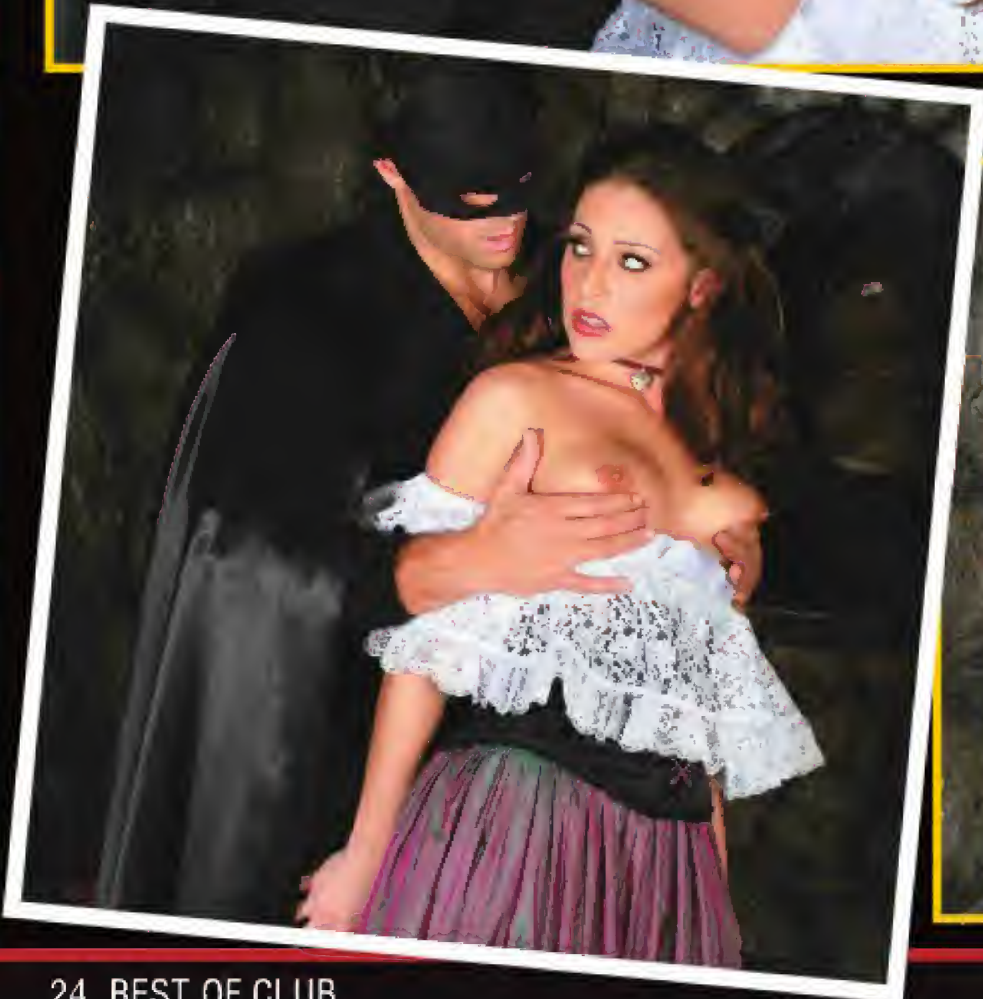

Naughty! Tasha Reign also has a go with Tommy Gunn, looking beautiful in her pink corset with a pretty, pink pussy to match. However, it's Gracie Glam, playing the role of the governor's daughter, who steals the show when performing in two separate scenes. First, she gobbles Alec Knight's cock, riding him to pop in cowgirl. However, even stronger than that, is when Gracie comes crotch-to-crotch with the masked bandit—delivering an award-worthy encounter that ends with the legendary "Z" being spelled out across her chest in sperm!

Rating: 4

Extras:
Extensive BTS coverage of the makings of *Zorro XXX* is presented— giving the viewer and excellent preview of what it takes to put a porn project of this magnitude together. Following the girls around the set is also quite hot, as their period-piece costuming is a sexy departure from the norm. The impressive photo gallery spread is also very entertaining, as is the cumshot reel that spotlights the “Z” splooge!

*When Alice and Inez get ready for their double date,
they get consumed with cock.*

FOUR-WAY FUCK FEST

A double dosage
of cock and cooze
calls for a party

"Mmm...you look hotter," Inez says, touching her bestie, Alice's sweet crotch.

"No way. You look better," Alice replies, lifting up Inez's shirt, tangling her nips in her mouth while smirking at their dates, Larry and Phil.

As the boys' cocks grow harder, the girls move to their knees, keeping their hands on each other, but engulfing the men's meat down their throats, until their rods are a gooey mess.

While the guys are pistoning their pricks in each chick's wet trap, the girls are drenched—sopping each other's nectar with their fingers.

"Ladies first," Inez says while placing Larry on the couch, watching as Alice follows suit with Phil. Riding the boys in cowgirl, Inez reaches around and plunges her digit in her back hole. With no time to waste, Inez gets off her new man and puts out her plump rump. Tracing his soaking cock head all over her pink pucker, he plunges into her ass—inch-by-inch until he unloads his cream inside her crinkle—causing her to shake from the ripples of her orgasm.

Watching Phil's legs start to buckle while sitting down, Alice gyrates harder—letting her girl goo splash all over his balls and down his thighs, until his splooge fills her invaded tightness.

Breathlessly, Alex moans, "You girls both look good tonight—especially with our dripping cum down your thighs."

Ever since I was younger, I had a penchant for younger girls. I used to grapple with how it came to be, but it hit me one day when my friend, Kenny's, younger sister, Katie, friended me on Facebook.

I hadn't heard from her since she started college, but I knew her for a long time. I never looked at her as a sister type, and she certainly wasn't hot before she hit college, but now, Katie was beyond bangin'! Her mirror pictures were insatiable—especially with her pert tits being cupped in a tight tank top, and I don't even want to talk about the one with she and her

picture of Katie with a lollipop, she can get anything good and wet. I was rubbing the pre-cum around my head when I got a message from her, asking if I was up for getting a drink over her time off. I didn't think she was old enough to drink, let alone want to hang out with her brother's friend, but all I kept thinking about was pounding her tight pussy and ramming my thickness into her walls.

I agreed, and soon we made plans to meet at a bar near her campus. At first, I was worried at what her brother, Kenny, would think, but then

friends on the beach—Katie's bikini was giving me a hard-on for days. All I kept thinking was pulling her up on the boardwalk, taking the panty bottoms to the side, in order to play with her fat clit, while licking her entire tight mound. I was at work every time I saw her page, and when I did—my cock uncontrollably throbbed each time I pictured her soft hands pulsing my cock with her small strength. We made very little contact via Facebook, but it didn't stop me from imagining her pretty pout engulfing my fat cock down her throat. From the look of the one

I realized that after he got married and moved away, we lost touch, so all bets were off. Also, she was even older than I imagined, and I needed to feel her sweet snatch.

The next day—when I was trying to hide my tenting rod in my pants all day—Katie texted

me asking me if I would help her with her printer before we went out. She had a paper due, and since I know a thing or two about computers, I was happy to help; although, I wasn't sure how I was going to contain myself being alone with her in her place—a dorm, no less, with nothing but a bed and a desk.

When I arrived, I couldn't believe how pulsating my cock was, and I was hoping that she was still the sweet girl that I remember and didn't notice. However, because I have the worst luck in the world, she opened up the door with a flowy white top and denim cut offs and immediately said, "Damn, Scott, is that a gun in your pants, or are you just happy to see me?"

What made matters worse, was when she leaned in to hug me, she put her pelvis further into mine and moaned at my hardness against her barely there outfit. I was afraid I was going to explode right then and there, but I tried to hold off the best I could. I knew that she wanted it just as badly as me, because when she bent down to show me where her printer was, her full tits practically fell out. I realized that the serial number was wrong, and as I went to go change everything around, I felt her arm go around me and grab my cock.

"Scott, I've always wanted to do this. I used to touch myself fantasizing that one day I would feel you inside me," she said, stroking my hardness. I couldn't contain myself any longer, and when she rubbed the pre-cum and traced it against my burgeoning head, I was a goner, and I turned around to kiss her warm mouth. I felt like a possessed animal, because I

went from kissing her lightly to picking her up and placing her on the twin sized bed, removing her shirt while I tongued her sweet nipples. Part of me wanted to take it slow, but there was something about her tanned skin and the fact that she kept saying, "Yes," spurred me on. While I licked her nipples, my fingers had a party while I swam the digits to her pussy pond. We both moaned the second I got

my fingers plunging her in her constricted canal, and the further I went in, the more she shook on the bed. Her face was just as hot as I remembered, and I wanted more of her.

With my cock inches away from her heated hole, I was shocked at how much she knew about fucking because she started to grab it when I went back to kiss her glossy, sweet lips. I almost didn't want to know how much of a pro she was at fucking, but I didn't care, all I kept thinking of next is how amaz-

ing her pussy must taste. Especially since I had a taste of her juices just a few minutes before.

I laid my head on her nimble thigh as I started to tease her, watching her clit thrum with each lick of her puff petals, and when I finally dove into her sweetness, she immediately started creaming—shaking wildly in my mouth while I continued painting her insides with my wet tongue. She tasted as sweet as I thought, and as her nectar ran down my chin, I was getting even harder. Katie

was like the cock whisperer, and as I pistoned my flesh flap, she stopped me—telling me to sit on the bed.

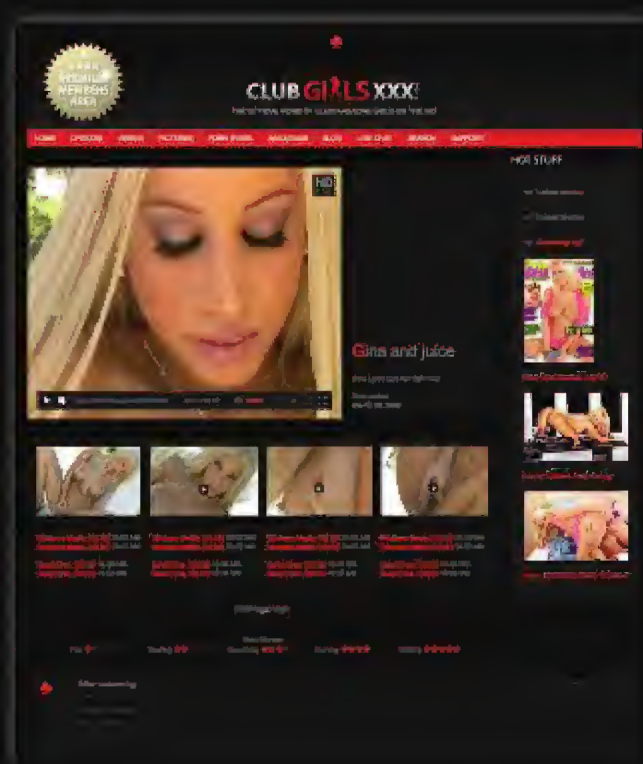

As I sat up, I couldn't believe how fat and rock-hard my cock was. I had never seen it so big in my life, but Katie knew what to do with it. Swiping it slowly around the head, my eyes rolled back at the initial feel. But, when she impressively took my entire package down my throat, I felt my rod getting harder and thicker in her mouth, and she knew I was ready to spurt at any minute. "I want to be on top. You're going to go so deep inside me," she said confidently. I did what I was told, still almost nervous to be with her. Then, it came to me that she seemed like the more experienced one and I was the novice in this aspect. The moment she got on top of me, I felt my cock twitch already, just from the tightness of her tender twat. As she undulated her hips at first, I wasn't sure I was going to make it any longer, but it was then that she was riding me harder, and I was losing all control.

"Fuck!" I screamed, holding onto her hips for dear life. "I'm going to cum! Right now!"

Not getting up, to make me unleash my load across her face, Katie kept on moving until My cock puffed up and rained my heavy cream all inside her snatch.

Since then, we've been seeing each other regularly, and even got Kenny's blessing. The only thing I have to get used to, is having a younger chick take control, because yes, men—it can happen to you, too.

Touching Breanne's body, Lexi musters, "I'm sorry things didn't go with your break up, but at the same time, I get more for myself."

With Lexi's soft tongue all over her girl's body, Breanne's kitty begins to purr, making sure the ripples in her belly start to rumble, but when her girl goo begins to rain down her throat, Breanne's sauce uncontrollably oozes, with Lexi catching every last drop.

Finally, they switch places, and Breanne's mouth forms around Lexi's mound.

"Mmm...your sweet snatch wants my hot tongue, doesn't it?" She says, teasing her friend's swollen pebble with the tip of her tongue.

Whimpering, "Yes, please!" Lexi's puffy lips don't stop quivering until Breanne returns the favor—delving her entire lips and tongue deep inside the bawdy brunette. With the lace grazing her sweet skin, Lexi plunges in one more finger, feeling her friend's tightness grasp her digits while Lexi's juices flow down Breanne's pointers.

"Mmm...you're so delicious," Breanne says, licking her fingers of her friend's girl gash. "Like I said before, 'More for myself.' "

BIG SEXY TITTIES

Starring: Katie Kox, Brooke Haven,
Jessica Jaymes, Alanah Rae,

Justice Young, Charles Dera,
James Brossman, Zenza Raggi
Directed By: Various Cinematographers
Available From: New Sensations

It goes without question, men love tits! Although some men are completely satisfied with a squishy handful, there are others who want the breasts on their babes to be large and in charge. Either way, we can all agree that breasts are hot—Whether they're freshly sprung skeeter bites beneath a crisp white blouse, or smuggled cantaloupes squished together underneath an angora sweater, boobies and boys go together like peanut butter and jelly.

New Sensations got the memo, and are celebrating the beauty of the bounce, and have come together to deliver a banging tittle show that packs a powerful punch. Understanding that top-heavy tarts and bouncing boobies are two things that we love most about porn—they've skillfully combined both aspects in their latest production perfectly titled, *Big Sexy Titties*. Promising a production that will cause the big bust connoisseurs to go bonkers—we've been cordially invited to drink up the delicious bra popping action, one DD-Cup at a time!

The day begins right on cue, as bodacious Brooke Haven rides in a white luxury car. Stepping out of the vehicle, the crew becomes mesmerized by her sculpted body that is perfectly decorated in a hot pink dress that barely covers her bubble butt and bangin' breasts! Sexily gliding over to the door, the camera follows her every move—paying close attention to the incredible curve of her ass. Answering her call of booby, Tommy Gunn, the realtor, gives this beautiful bombshell the grand tour of the lavish hilltop estate he is representing.

Trying his absolute best to maintain his professionalism, despite his obvious attraction to her—Gunn leads Brooke outside to the expansive backyard. Upon giving her the grand tour, Haven eventually purrs, "I'm not really interested in this house. I'm more interested in you." Smiling and fawning all over her naughty admission, Tommy lowers Brooke down by the shoulder blades, and decides to give her the royal treatment. Key the cheesy porno music!

Unzipping his Italian sausage from his slacks, Haven works her glossy pink lips around his pole—decorating his shaft until it looks like a barber's pole. "Your cock tastes so fine," she smiles, pecking her head around his pole like a pigeon. Using her ears as handlebars, Gunn gets the most out of Brooke's mouth—watching her cheeks fill up with his balls.

Once her tits come out, she playfully smacks the round flesh around his face, before taking a seat on his lap in reverse cowgirl. An ideal position for big tit lovers, Brooke's body is on full display, as we all watch her pussy wrap around his cock like a vise-

grip, and her titties quake on her chest like sizeable tremors. "Do you like my pussy?" She questions, as Tommy and the crew shake their head yes.

Eager to try her out in a few more arrangements—Gunn pounds her hardest in doggie—really tearing into her pussy like a knife through hot butter. "Does the dirty girl like my big, fat cock?" Tommy snarls, sinking his claws into the fleshy curve of her hips as he continues to pound her round. With her breasts swinging wildly below, and her pussy pulp dripping down her legs—Haven definitely earns the frosty finale he shakes over her hair pie.

When that scene concludes, Jessica Jaymes, dressed as a sexy executive in a smart, gray dress—steps out of the makeup room, looking like a million bucks! "How do I look?" She teases, slowly spinning around on the spikes of her black heels, so we all can catch a 360-degree view of her physical perfection. Giggling at the site of our tongues wagging, and our brows sweating—Jaymes says, "I think this is a good place to start."

Also beginning outside, Jessica begins her scene by knocking on Justice Young's door. Answering with a naughty smile across his handsome face—Young is instantly smitten by the brunette beauty who has the most electrifying smile and puppy brown eyes. "Can I please borrow a cake plate?" Jessica smiles, totally keeping her eyes fixed on the mega bulge that is beginning to form in his nylon gym shorts.

Escorting her inside—Jaymes takes it upon herself to scour the cabinets of his kitchen in search of the platter she seeks. Choosing the lowest shelves she can find, Jessica hunkers down on her hands and her knees, pulling the bottom of her dress around her svelte hips, enticing Justice in hardcore action by exposing her fuckable holes. "Are you sure you want a cake plate?" Justice finally questions, stroking the head of his thick cock through his shorts, as Jessica peels herself off the floor. "I could be hungry for something else," she tempts, lowering the straps of her dress down until her bare tits are in his face and his cock is rock hard and ready to roll.

Squishing her meaty mounds together, Young handles her heavy hooters as if he's kneading two wads of pizza dough. "These fucking things are incredible!" He smiles, wrapping his lips around her pert nipples, and lowering his hands to tug on her pretty polka dot panties.

Resting her against the kitchen counter, in a languid standing doggie arrangement, Justice gets to work between Jessica's legs by licking her from the inside out. Folding her in half—Young locks his tongue into her pussy and wedges his nose inside of her peachy asshole. Delighting in both delicacies, Justice spit shines both holes, choosing to impale her pussy next.

Already sprawled out in an incredible arrangement, Young bangs this big booby bitch in standing doggie. Sinking her baby pink nails into the granite countertops when the going gets tough, Jaymes is treated to multiple orgasms. "I'm a naughty, little housewife," Jessica eventually roars, as Justice spins her around and splatters her face with dollops of his homemade cream!

The day moves swiftly along, as blonde goddess, Alanah Rae, prepares to stretch her body out with Charles Dera—her handsome personal trainer. Leading him to her indoor pool and exercise area, Rae is the epitome of a pampered princess. "I'm interested in learning yoga," she flirts, twisting her voluptuous body for the salivating stud. Now in a tempting position, downward dog—Dera places his paws all over this mesmerizing cock tease. "Your body is incredible," he smirks, sinking his palms into the perfect arch of her lower back. Now, standing on all fours, Charles positions himself behind the horny harlot. Rubbing his cock into the curve of her ass, Dera is happy when Alanah responds by grinding her crack into his crotch, "That feels good, baby!"

Peeling her pants down her legs like banana skins—Charles plops his cock into her smooth vagina, exciting her with a few preliminary pumps. Once acclimated, Dera gives Alanah's pussy a stretching from the inside out! Fucking her hard and fast, it doesn't take long before Alanah's top is flung over her head and her titty sweat begins glistening down her ample cleavage.

Blowing his cock between positions—Rae makes excellent use of her all-American mouth by salivating over his sword. Loudly sucking his shaft, as if slurping the final contents of a milkshake, Alanah knows the exact coordinates to navigate his cock like a sexy sailor. "You like my mouth fuck?" She gleams, looking up with him with her enchanting hazel-colored eyes for approval. Feeling his cock wedge deeper down her throat gives her the exact answer she was hoping for.

Jumping on his pony in cowgirl position, Rae smothers Charles with her massive mammaries—literally taking his breath away with the weight of her chesticles. "Take that!" She teases, allowing him a few gulps of oxygen before hammering down for some more naughty play. It's hot!

Once she lets up, Charles lets her have it, banging her pussy so soundly from underneath that her titties shake, rattle and roll across her chest, making them bounce wildly!

Feeling warmer than a worm hot pavement, the final scene of the day goes off without a hitch. Clearly one of the most bodacious blondes to come around in ages—Katie Kox—is simply a divine contribution to the big tit genre. Looking ideal in a purple dress and matching bra, Kox fantasizes about her stepson, Rocco Reed, who is tanning alongside their luxury pool.

Deciding to throw caution to the wind and get her pussy poked, Katie makes her move on the sweaty stud by charming, "With your father gone so much, I'm really horny." Diving into action, Rocco frees her impressive rack from the confines of her lavender bra. As his eyes light up like sparklers, his mouth begins to water and his cock grow. "I always wondered what these things looked

dered what these things looked like," he smiles, wrapping his college boy lips around her sizeable areolas. Gripping her titty meat in her palms, Katie breastfeeds Rocco, watching his tongue curl along the underside of her fleshy fun bags. "Ah, you're so hungry," she teases, going along with this kinky role-playing session.

Securing his cock between her tits—Kox gives Rocco the tittie fucking of a lifetime. Greeting the tip of his helmet head with her pink pout, Katie expertly swishes her tits across his cock and balls. "Oh, fuck yes!" Rocco screams, ready to experience more of his luscious stepmother.

Going to town in reverse cowgirl—Reed pleasures Katie from underneath. Yanking on her tits and sucking her own nipples throughout—Kox works Rocco and the camera over with her pretty eyes, spewing, "Ride me, Rocco!" Ideal looking in every arrangement, the cameraman gets up close and very personal to the tip-flopping action, despite the obvious dangers of being slapped into a titty-induced coma. Nonetheless, the two carry on in a myriad of positions, ending the day as perfectly as it began.

So, with so much prized poon on the line, and plenty of tittie meat to satiate everyone's lust for big busts—New Sensations has hit a homerun with *Big Sexy Titties*. So, the next time you are in the mood for solid porn, do yourself a favor by picking up a copy of this big tittle showing; and whatever you do, don't forget the roll of super absorbent paper towels. Let's just say, you're gonna need 'em!

"When I'm good, I'm great, but when I'm bad, I'm better," Nella recites her favorite quote, while getting undressed down to her skivvies.

"It's no wonder I'm so irresistible. Look at me? My hips are soft and curvy, my ass is perfection, and my tits are a work of art," she continues, frigging her swollen clit.

"But there's something missing—a man in my life," she pouts, letting her pussy cry with her.

"It's okay, though. I have my trusty toy to keep me company," she says, turning that frown upside down.

While thrusting the toy in and out of her pert pussy, she wonders what it'll feel like all the way inside? Just like a man's cock? Or better?

Thrusting it even harder, her pussy begins to quake, and her belly starts to rumble as the tides of her torrential explosion give way, with the toy practically flying out of her sopping twat.

Biting her lip, Nella says: "Mmmm...who needs a man when all I need is my new toy?"

Sex Appeal- Elegant Angel

What is the most memorable gift received by a fan?

A fan actually took the time to write my name out in the sand. He then took a picture of it and brought it to me as a gift at one of the conventions. It was so incredibly thoughtful, proving that gifts don't necessarily have to be expensive in order for them to be special.

Have you always been aroused by watching pornography?

Yes, porn arouses me.

Although, I'm less aroused

by it now since I know everyone in the industry. I used to always watch it on my own, and was familiar with the main performers like: Jenna Jameson, Tera Patrick and Tommy Gunn. Tommy really turns me on since he resembles my current boyfriend. I used to enjoy watching porn online. My favorite was basic boy-on-girl sex. Nothing too crazy.

Are you wilder on or off screen?

I'm wilder on screen. Something amazing happens inside of me when I perform. I always want to be a bit wilder and let myself go, sexually. I wouldn't say that I morph into Chanel Preston, because I am pretty much the same girl on and off camera. However, there is a slight difference between the two of us. Porn really intrigues me.

Are you into kinky sex?

I never consider myself a kinky person, although others may disagree. 'Kinky' is such a subjective word. I'm not really sure what I am. What I will say is that I am sexually open. I am accepting of

bisexual people, including men. I don't really explore that side of myself too often, but am open to it. That to some may be deemed as 'kinky.' I have been with two men at the same time—once or twice. In a group setting, I love it when everybody involved is sexually open to everyone else in the room. That, to me, is a huge turn on.

Are you equally attracted to women as you are to men?

Women and men are so different. I have a great time doing sex scenes with women, because they exude a different type of ener-

gy. I do feel like I get a deeper arousal factor when I have sex with men, though. I perform better with men.

Who is your favorite female performer to work with?

I just did a scene with Dana DeArmond, and thought she was fabulous. We had a great time together. For the first half of the scene I had Dana all to myself, for about two hours. For the second half of the scene, Derrick Pierce joined us. He made things better. I've also enjoyed working with Jessica Drake. She is stunning!

Who is your favorite male performer to work with?

Again, I would have to say Derrick Pierce. Once, I had been on set since 9AM and was totally exhausted. Finally, 1AM rolled around, the last scene of the day, and I was up to bat. Needless to say, I was ready to go to bed. Our scene ended up being so damn hot. I totally enjoyed Derrick and didn't care about the time after that. I thought to myself, 'Okay, I could do that again!'

What is the wildest thing ever done to you, sexually?

I started working for *KINK.com* and have had some pretty wild stuff done to me.

Describe a fantasy you would like to fulfill.

I know a lot of women fantasize about having sex with a stranger. I've never been able to carry that out. It's one thing to have sex

go at it. The thought of watching my boyfriend have sex with a hot girl in front of me would be incredibly erotic. I would love watching him be dominant over her.

Do your friends allow you to watch them have sex in your private life?

No, they don't! [I] guess I need new friends, don't I? (laughing)

with a stranger when you are drunk at a club, but it really isn't a fantasy. It's more like a 'whoops!' That doesn't really happen too often. Therefore, I would like to have sex with a stranger. Anywhere.

What do you fantasize about when you masturbate?

I'm a voyeur. I enjoy watching other people have sex. Voyeurism is my latest phase. I don't even have to be involved in the situation, as far as my fantasy goes. I just want to watch them

Who would you love to work with but haven't yet?

I would like to work with Randy Spears. He's such a veteran. I have a mini porn crush on him. He played the role of a scary, old man [Stiff Staff] in *Rocki Whore* (Wicked Pictures), and every girl wanted to fuck him. He has this manly voice that really turns me on. I would also love to work with Alexis Texas and Tori Black. Performing in a threeway with those girls would be the ultimate.

I bet Alexis would take us both over with her big wonderful ass. That would be a dream come true if she did!

What are your ultimate porn goals?

I don't really have specific goals, since the industry is changing so rapidly. As a result of those changes, I'm not sure what my future options will be. I would love

to work behind the scenes one day and create movies, instead of just performing in them. I'm just taking things one day at a time. My goal is just to be happy and successful.

How do you like to be touched?

I love being manhandled and have a fetish for hands. I love it when strong hands hold me down.

Do you prefer things soft and sexual, or rough and wild?

It really depends on the person, and on my mood. Some people are better suited to perform in a more sensual capacity. That type tends to come across as silly when they try to be aggressive with me. Others may be the exact opposite—as their attempts to be soft are laughable. I don't like sex one way. Sex needs to be mixed up. Some people can't pull off the

rough and wild stuff as well as other's can.

Have you ever had sex in public?

I'm not very big into sex in public. The most public I'd go would be to have sex on the side of the road. Not on the main road, but off road would be fine. Damn, I love talking about sex. It's so much fun. I'm such a lucky girl!

Who, in porn, turns you on the most? Why?

At this point, I have no idea who turns me on the most. There are several. It's so different since I know so many of the people personally. I will say this, I'll have sex with Dana DeArmond and Derrick Pierce again in a heartbeat. Her fair skin and dark hair are gorgeous. She dominated me in a way that was incredibly hot. She didn't try to take over our scene, but had no problem being aggressive over me.

Are there any particular roles you are anxious to play?

I'm best at playing the seductive roles. I love being the sexy executive or the strict teacher. I'm more of an aggressor and have problems playing naive. I'd love to be the sexy principal at a prep school, 'Bend over. Hands on your ankles.'

What turns you off?

Bad hygiene is a real turn off. There is a difference between having a natural scent and having bad hygiene. The smell of natural pheromones can be very erotic, although an unkempt body is not. Scent plays a huge role in sexuality. If it's not a good smell, you can't get over it. I've never had that problem in the porn industry. Everyone smells clean, and takes great care of themselves.

If you could assemble an all-star lineup for a

porn movie, who would you cast?

I would cast quirky actors that play in Quentin Tarantino movies. Uma Thurman and Rose McGowan would be good examples. I love aggressive women who take charge and exude a tiny bit of danger. Rose is perfect for that—she's super-sexy. And, I really love her light skin and dark hair.

Who, in porn, has the perfect pussy?

I do! It's so little and is the perfect color. It can hold a lot, which makes it very deceiving. Sometimes I dress her up with a hair patch, although now she is bald. I do have a tattoo down there. Sometimes I enjoy it, and other times I wish it weren't there.

What is one of your favorite things to do with your friends?

I enjoy trying out new restaurants and sampling interesting cuisines with my friends. I love eating new food. I'd much rather spend time with my friends in a restaurant than at a crowded nightclub. That way, I get them all to myself.

When moving her stuff, Caprice becomes nostalgic about her favorite piece

CAPRICE

"I had so many good times on this chest," Caprice says in the big room. Running her hands across the wood, she starts to recollect a time when her old roommate banged her hard at a college party on the chest.

"His cock felt incredible," she said, rubbing her clit on the wooden piece. I remember how my tits bounced, with every thrust of his cock. Splaying her legs even further, she reaches into her bag and pulls out her trusty toy—getting it wet first with her mouth and then agains with her pussy.

"Fuck! I can't let this piece go!" She hollers, letting the tidal wave of her impending orgasm ripple through her belly.

Feeling the toy go deeper inside her, the more Caprice came; and when Caprice licks her toy, she smiles, knowing that she'll have more great times on this chest.

"Diamonds bring a lot of women luck. I guess, for me, it's anything that has wood."

*Lola's old fashioned, but Zuzana shows
Lola a fun, new way to get off*

LOLA & ZUZANA

*Zuzana turns her
friend's world
upside down
when she intro-
duces her to her
bulbous friend*

Lola's mind gets dirtier with every prod of the toy

"Your fingers are nice, Lola," Zuzana tells her girl, "But this thing is very nice."

Holding up a hulking mast of a toy.

As Lola's eyes get huge, so does her pussy hole—and with every light prodding, Zuzana begins to fall in love with each thrust, until the toy is bauble deep inside her soft pussy.

"Yes! Yes!" She screams, creaming the toy with her goodness, until drips of her girl gash fall to the ground.

Out of breath, Zuzana says, "What have I been missing my entire life?" Before splaying her friend's legs apart, wafting Lola's sweet peach. Blowing on her clit for a few seconds, Lola grows more impatient and holds her girl's head to her clit—while a torrent of her lady luster pours into her mouth.

Wiping off the rest of her nectar, Lola says: "See what happens when you open your mind...and your pussy, baby? Great things happen."

Ash's mind gets dirtier than normal after her dancing gig

ASH HOLLYWOOD

*Ash's antics grab
the attention of
some horny
onlookers*

"It's not every day you see a hot guy drooling all over you," Ash says backstage from her feature dancing club.

While gyrating on stage, this blue s tart queen thinks about one man in the audience who caught her eye.

"Just the way he was holding his cock made me so fucking wet," she says, putting her panties to the side to feel her puffy nubbin. "It's no wonder I kept putting my ass in his face."

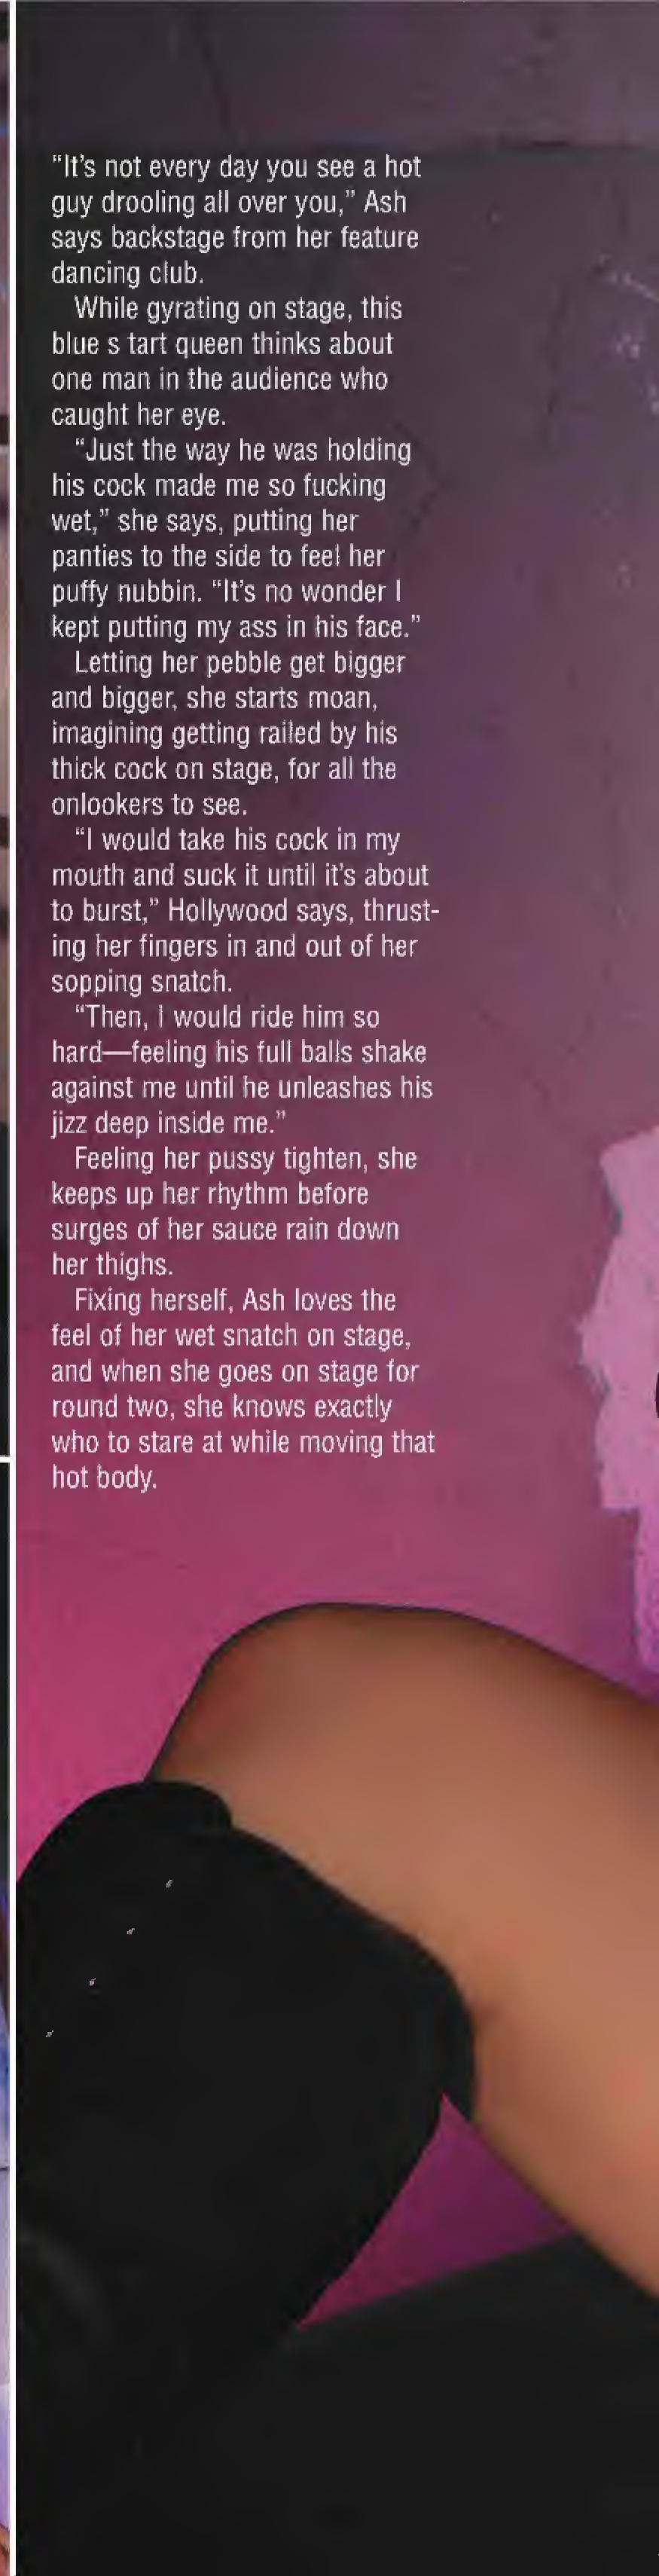

Letting her pebble get bigger and bigger, she starts moan, imagining getting railed by his thick cock on stage, for all the onlookers to see.

"I would take his cock in my mouth and suck it until it's about to burst," Hollywood says, thrusting her fingers in and out of her sopping snatch.

"Then, I would ride him so hard—feeling his full balls shake against me until he unleashes his jizz deep inside me."

Feeling her pussy tighten, she keeps up her rhythm before surges of her sauce rain down her thighs.

Fixing herself, Ash loves the feel of her wet snatch on stage, and when she goes on stage for round two, she knows exactly who to stare at while moving that hot body.

**Miss Hollywood's
star appeal gets
her pussy soaked**

Gyrating her hips isn't the only hot thing she's good at—fucking for a living is number one

Addison's sugar daddy still keeps things sweet

ZENZA & ADDISON

This sugar daddy
gives Addison
something sweet
every day

"Oh, honey, you got us a yacht," Addison says, removing her sugar daddy's fat cock while looking out the clear ocean before her. "All your sweet things get me so horny."

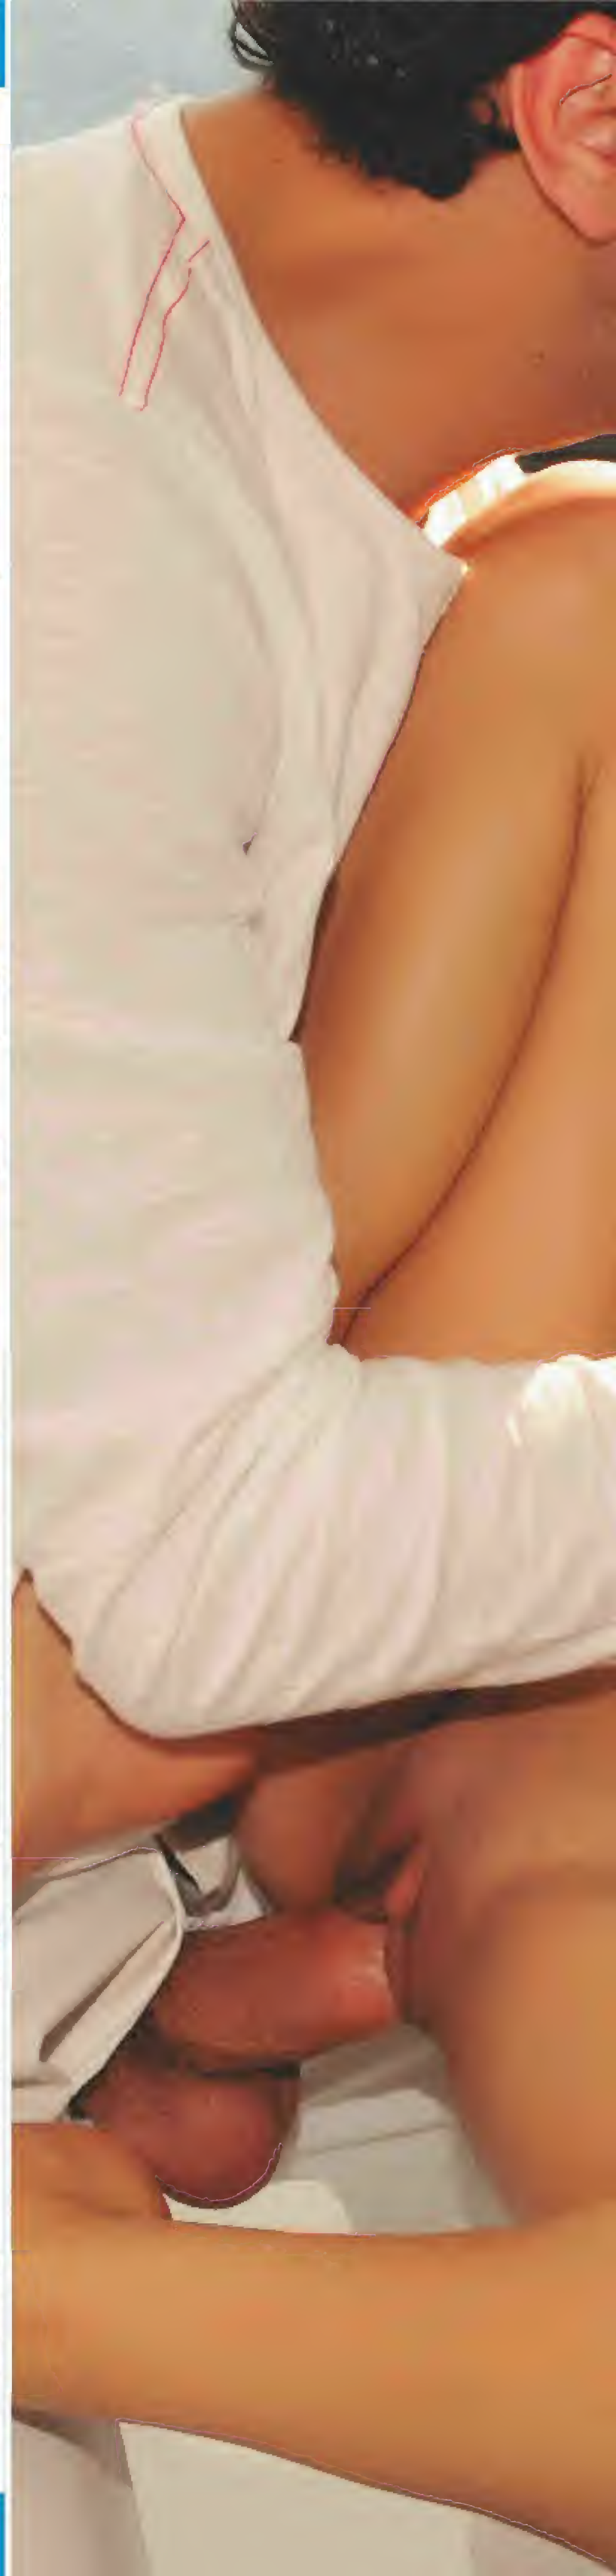

Sighing deeply, Zenza pounds his hips into his girl's face—giving her a mouthful of his man-meat. While her clucking begins, strips of her saliva paint the expensive floor until her pussy tells her that she needs cock.

Getting on the round chair, she spreads her legs wide in doggie—allowing her sugar daddy to plunge his hard prick in her tight, young wetness."

"Your tight pussy gets me off. I think about it all day in my car to work, baby. I think of how wet and warm you are."

Just his words alone make her shudder, and as the feel of his prick getting pumped by her wanton walls, Zenza removes his prized prick and sprays his spunk all over face—giving her the cheapest facial of all.

"Mmm...like I said, honey," Addison says, licking off the remnants of Zenza's joy juice. "The sweetest things you do for me turn me on."

Her pussy is the
prize and his cock
is the trophy with
this couple

A man and a woman are in a car. The woman is in the driver's seat, looking at the camera with her mouth open. She has long dark hair and is wearing a necklace. Her hands are on her breasts. The man is in the passenger seat, looking at her. The background shows a view of a green landscape through the car window.

**Addison's
shaking ass
gets her
wild every
time.**
